Our standards are their upgrades. Shop smart, compare and see the difference for yourself.

Not all Amish shed dealers are the same. While price is important, be aware of what you are getting for that price. Many of our standards are considered upgrades by our competitors. The Barn Raiser has the best reputation in the area, as we are known for our honesty, our attentive customer service and the fact that we stand firmly behind every one of our products. We are completely owner-run and our customers come first. Always.

Customer is responsible for site preparation, access and permits. Site must be prepared and accessible prior to delivery of structure.
 *Prices subject to change. Specifications may vary. All measurements are outside and approximate. Building width (gable side) measurements are from overhang to overhang.
 †12' Quakers and 14' structures require a certified escort: An additional \$450.00 fee applies for escort vehicle and permits.
