Built to Last ... Vinyl is Final!

# Facts About Maintenance Free Vinyl Playsets

Vinyl playsets are similar to wooden swingsets in style and appearance, yet there is no need to paint, seal or stain and vinyl will not fade or crack from exposure to the weather. Vinyl is the right choice for many years of enjoyment.

- Stainless steel hardware and powder coated brackets to resist rust
- Swings and gliders have nylon bearings for a smooth quiet ride
- Vinyl & poly decking material carry a lifetime warranty against rot and insect damage
- Swing chains are rubber coated for a soft, comfortable grip

## Limited Warranties

All units carry a 2 year limited warranty against defective workmanship. Storm damage, abuse, misuse and vandalism will forfeit warranty. Vinyl and composite decking each carry a limited lifetime warranty against insect damage and decay. Fiberglass roofing materials carry a 25 year warranty.

## Swing Set Buyer Responsibility

All swing sets are delivered by a pickup truck and trailer. We will be backing into your site. If your site is inaccessible (fences, hedges, etc.) we must know at the time of your order.

We are going into your yard at your request, therefore we do not accept any responsibility for damage which may occur.

We reserve the right to make minor product modifications to improve child safety and value of this equipment

Thank you for choosing a  **SWING** playset.

We believe this playset will bring your child years of enjoyment. In today's fast-paced world of television and video games, this playset will allow your children to escape into a world of their own imagination.
