Thank you for choosing a **king SWINGS** playset.

We believe this playset will bring your child years of enjoyment. In today's fast-paced world of television and video games, this playset will allow your children to escape into a world of their **own** imagination.

Important Safety Features

Swing Set Buyer Responsibility

- Recommended for residential use only.
- All swing sets are delivered by a pickup truck and trailer. We will be backing into your site. If your site is inaccessible (fences, hedges, etc.) we must know at the time of your order.
- We are going into your yard at your request; therefore, we do not accept any responsibility for damage which may occur.

Note: Due to natural aging and the preserving process, pressure treated wood has a tendency to check and crack. The manufacturer and seller of this product have done their best to select quality wood to use in the construction of these playsets and in no way can be held liable for any checking and/or cracking that may occur.

We reserve the right to make minor product modifications to improve child safety and value of this equipment.

- Hardware is plated to resist rusting.
- Glider brackets, bridge rails, and fireman's poles are powder-coated for long-lasting protection.
- Nuts and bolts are recessed to avoid cuts and scrapes.
- Construction is of non-toxic wood that cannot harm children.
- Corners are sanded smooth to avoid skin tears and cuts.
- Braided rope is used on swings to prevent pinching fingers.
- Gliders and swings have nylon bushings for longer wear and less squeaking noise.
- Slides are plastic and will not get hot in the sun.
- Rubber sling-seats are used on swings to avoid splinters or hard knocks to the head or body.
- Playsets are tip-proof. An unlimited number of children can play on them and the unit will not tip over.
- Gliders are designed without a scissors motion, therefore no arms or legs can get caught while in motion.

- **Swing Sets** are modular in design and can be added to as desired.
- **Sturdy 4x4** construction with Georgia Yellow Pine, approved for ground contact.
- **Asphalt Shingle** roofs on playhouses.
- **High Quality Painted Playhouses**
- **Red Wood Stained Swing Sets**
- **We Use Vinyl Trim On Doors**

*Handcrafted in the Heart of
Amish Country by Skilled Craftsmen*

1 Year Limited Warranty

All units have a one year limited warranty which includes child breakage under normal conditions. Storm damage, abuse, misuse, and vandalism will forfeit warranty.
