--------------------	----------

Customer is responsible for site preparation, access and permits. Site must be prepared and accessible prior to delivery of structure. Specifications may vary. All measurements are outside and approximate. Building width (gable side) measurements are from overhang to overhang. †12'-wide run-ins and stall barns have an overhang which makes them an overwidth load; escorts and special permits are required and additional fees will apply.

FREE DELIVERY
within 30 Miles of our Highland
location for most barns up to 28' long.
Beyond that size will be a 'direct delivery'
from our Amish builder to you.
