Metal roofing, customization, and lots of options are available to personalize your building. Just ask! We'll do our best to accommodate you.

Not all shed dealers are the same. While price is important, be aware of what you are getting for that price. Many of our standards are considered upgrades by our competitors.

Customer is responsible for site preparation, access and permits. Site must be prepared and accessible prior to delivery of any structure. Specifications may vary. All measurements are outside roof overhang to overhang and approximate.

***Structures over 12' & 14' wide require a certified escort & additional permits; Additional fees apply.**

***Structures over 30' in length require Direct Delivery; Additional fees apply.**
